

The mission of the *Network for a Healthy California* is to create innovative partnerships so that low-income Californians are enabled to adopt healthy eating and physical activity patterns as part of a healthy lifestyle. The Bay Area's Champions for Change are instrumental in achieving the Network's mission.

Thanks to all of the *Network for a Healthy California—Bay Area Region* partners who have contributed to healthy eating and physical activity efforts throughout the Bay Area.

Funded, in part, by USDA's Food Stamp Program through the California Department of Public Health's *Network for a Healthy California*. These institutions are equal opportunity providers and employers. The Food Stamp Program provides nutrition assistance to people with low income. It can help buy nutritious foods for a better diet. For information on the Food Stamp Program, call 1-888-328-3483. The Santa Clara County Public Health Department is the lead agency for the Bay Area Nutrition and Physical Activity Collaborative (BANPAC) and the Network for a Healthy California—Bay Area Region.
